Oil Spotlight: Holiday Joy & Holiday Peace

Want to give your home the scent of the holidays, but without the chemicals? Then I've got some oils for you.

Holiday Joy is a blend of Siberian Fir, Wild Orange, Clove Bud, Cinnamon Bark, Cassia, Douglas Fir, Nutmeg and Vanilla. If you want a warm, sweet, inviting scent, then this is your blend. Holiday Joy creates a welcoming environment for holiday gatherings and can be diffused daily to purify the air and uplift the spirit, filling each room with the joyful scent of Christmas. It can be used aromatically and topically, but does need to be diluted with a carrier oil when applying to the skin.

Holiday Peace has the calming aromas of Siberian Fir, Grapefruit, Douglas Fir, Himalayan Fir, Frankincense, and Vetiver. Reminiscent of winter traditions with its wonderful woody aroma, Holiday Peace is perfect choice to help you find the calm during the holiday season. The harmonious blend will help bring a tranquil and serene feeling to your home and family with its grounding, woody scent. Holiday Peace can also be used aromatically and topically (with dilution of a carrier oil to avoid skin sensitivity).

For a creative twist on these wonderful blends, here are some additional ideas on how to diffuse Holiday Joy and Holiday Peace in a water-based misting diffuser.
